## Note from our Pastor

Cover to cover the Bible tells of people whose prayers were answered and who turned the tide of history as a result. Hezekiah prayed and God spared his nation when the Assyrians attacked. Elijah prayed and God sent fire to confound the false prophets and consume the offering on the waterlogged altar. Elisha prayed and the son of the Shunammite woman was raised from the dead. Jesus prayed and Lazarus came forth from the tomb. Paul prayed and new churches were born. The early church prayed and Peter was delivered from prison. The list goes on and on. We can change the course of events if we go to our knees in believing prayer!

See you Sunday!

Bro. Joey

Valentine's Day, also called Saint Valentine's Day or the Feast of Saint Valentine, is celebrated annually on February 14. It originated as a Christian feast day honoring a martyr named Valentine. Some stories say that Valentine was imprisoned for ministering to Christians persecuted under the Roman Empire in the third century. Tradition maintains that Saint Valentine performed weddings for Christian soldiers who were forbidden to marry by the Roman Emperor. The day became associated with romantic love in the 14th and 15th centuries. In the 18th century, England couples expressed their love with flowers, candy and cards. Mass-produced cards replaced handmade ones in the 19th century. The More You Know! Happy Valentine's Day!!

Lent February 18-March 5

Sunday is Transfiguration Sunday, which celebrates the glorious revelation of God in Jesus Christ and Christ's manifestation as the fulfillment of the law and the prophets. Jesus' radiant appearance on the mountaintop evokes the devouring fire of the glory of the LORD at Mount Sinai. Here, God claims Jesus, as His Beloved Child, in which He is well pleased. This event marked a transition in Jesus' ministry, in which He 'set His face to go to Jerusalem', where he would die. We rejoice the divine majesty of Christ, whose glory shone even when confronted with the cross.

## What is Lent?

A season of reflection, penance, and renewal - a sacred time in the Church to prepare our hearts for Easter. It is a season of prayer, fasting, almsgiving, and spiritual renewal, helping us reflect on Christ's sacrifice and grow closer to God. The word "Lent" comes from the 'old English *lencten*' meaning springtime, and from West Germanic *langitinaz* meaning long days or lengthening of the day. The 40 days of Lent are the period leading up to Easter that starts on Ash Wednesday and ends on Holy Saturday, the day before Easter. Commonly observed by Roman Catholic, Eastern, and some Protestant churches, these 40 days are a time of personal reflection to prepare your heart and mind for Good Friday and Easter.

## What is Ash Wednesday?

Lent starts with Ash Wednesday (February 18), the day when you might see people with a cross of ashes on their foreheads. These ashes are a reminder of our need for repentance and the reality of our human frailty. The ash marks symbolize sorrow and mourning over sin. The biblical support for this observation comes from the following verses: "Then I turned my face to the Lord God, seeking him by prayer and pleas for mercy with fasting and sackcloth and ashes" (Daniel 9:3). "There was great mourning among the Jews, with fasting and weeping and lamenting, and many of them lay in sackcloth and ashes" (Esther 4:3).
