## 2025 PANORAMA SCHEDULE

This event is our opportunity to share Christ with our community through the scenes to the scriptures and music to the laughter and conversations. If you know of someone who wants to participate, the more the merrier! And if you need to change your place within the schedule, that can be done! Above all be in prayer for this event, for those who will come through and for our church.

**\* Volunteers are welcome and needed! If you are listed but not able to participate, please notify Brandt or Gail Jercinovich. Brandt, 731-697-4673; Gail, 731-514-0167**

**\*Most importantly, please remember this event is a representation of the Birth of Christ.** Please be still and reverent while outside. We ask those walking the path outside speak quietly as well.

### **\*Finger foods**

As we do every year, we will need finger foods to serve our guests! All church members are encouraged to come and share in the fellowship for the entire time. Invite people and share the event on social media. This is our gift and witness to the community each Christmas! Be in prayer that we may be a blessing to someone this beautiful Advent Season.

Many Thanks,  
The Special Events Committee

When Brandt and I started working on this year's Nativity schedule, I asked how long the church had been doing it. We found the answer...53 years! Wow! This has become one of the traditions that make our Christmas as individuals and as a church family. When I mentioned the event to some of the children, they were SO excited! (Think...eyes lit up...smiling ear to ear...) They immediately asked if they could be angels! We hope you are as excited as those children when we get together as a church family, presenting a 53-year-old tradition of proclaiming our Savior's birth.

Thanks to everyone who offered to help! If you need to change the schedule, just let us know. There are a few open spots that we may be able to fill with someone already in costume. However, if you know of someone who wants to help, please let us know.
